

Extra Curricular Class – Dance Rhythms

Dear Parents:

West Suburban Montessori School is pleased to OFFER Dance with Ms. Vickie Casanova as our director for the Dance Program at WSMS for the **Fall of 2009**.

Ms. Casanova is an active performing member of The Busa Family of Dance which performed for the children during an in-house field trip. She is returning to WSMS after a several year break during which her daughter, Charis Goodman, took over the class. Vickie is both a textile artist and dancer and believes that “everyone is an artist.” So her fun-filled classes will be sure to invigorate the minds and bodies of these young dancers.

Ms. Casanova incorporates a wide variety of energetic movement techniques to introduce your children to ballet, jazz, modern, creative movement and multicultural dances—all set to heart pumping music and even classical. The Spring Recital is always a highlight of the year and will feature original costumes and important shine time for these young artists is training.

This extra curricular activity is open to all WSMS students, both boys and girls. The classes for the Fall Session will be held on **Mondays**, beginning September 14th and will continue until December 7th, with a class time from approximately 2:30 to 3:15 p.m. Daily class attire should be tights or leotards and ballet shoes (slippers). The cost of this **limited enrollment** 11-week session will be \$100.00, not including any costumes.

The attached registration form along with your payment, made payable to **West Suburban Montessori School**, needs to be returned no later than **Wednesday, September 9th**. Registration will be taken on a first come first serve basis. As with any after school program, class is dependent upon adequate registration.
